

## The attack of 'Al-Qaeeda' and Pakistani 'loose nukes'

April 12, 2008.

It is beyond any reasonable comprehension how blatantly obvious the grotesquely unfolding reality in Pakistan is (“Profound Clairvoyance or Blatant Obviousness?” <http://tinyurl.com/4olovo>), and yet the Pakistani rulers and the majority of Pakistani ruling elite and its newsmedia still manifestly react as if they are all sitting at the 'unbirthday' tea-party with the 'Mad Hatter' boisterously chanting the imperial 'war on terror' song as they deliberately suicide the nation into oblivion. There isn't much time.

This ominous report “*2 die in Pakistan nuclear plant accident*” (AP April 08, 2008) will shortly be blamed upon the ubiquitous 'al qaeeda' as having attempted, and perhaps even succeeded in, getting their hands on the Pakistani 'loose nukes'. Unlike the Benazir Bhutto assassination that the Government of Pakistan had immediately blamed upon the 'al qaeeda' (“Who Killed Benazir Bhutto? In her own words!” <http://tinyurl.com/6mnr2g>) with copious help from the Pakistani newsmedia (“Letters to Editors” <http://tinyurl.com/5hfshe>), this time around, both will surely deny it.

If this diabolical spin ever materializes in the Western press, be forewarned that the crossing of the nuclear Rubicon which already appears imminent (“Nuclear Attack on Iran appears imminent!” <http://tinyurl.com/548hwu>) despite what President George Bush might state publicly, is very close at hand!

And just as abhorrently, that the new '911', which according to President Bush, “*will make Sept. 11 pale by comparison*” (NYT Feb. 14, 2008) and that “*it would be the work of militants hiding inside Pakistan*” (The News April 12, 2008), is also imminent.

But multiple diabolical catalyst provocations such as the loss of the 5th fleet in the Persian Gulf (<http://tinyurl.com/6dz6vm>), justifying full spectrum “*defensive' US military action against Iran*” and Pakistan as noted by Project Humanbeingsfirst™ in its wakeup call of December 21, 2007 (“Wakeup to the grotesque reality of the Grand Chessboard” <http://tinyurl.com/3mf3ab>) aren't precluded in this calculus of the Fourth Reich (“Rise of the Fourth Reich in America” <http://tinyurl.com/5hrxlq>).

And unfortunately, today, there is no Justice Robert H. Jackson

(<http://tinyurl.com/4sqhf6>) to re-assert the definition of 'aggressor' (<http://tinyurl.com/4zvudw>) to the apathetically spectating world:

*'An "aggressor," Jackson proposed to the [Nuremberg] tribunal, is a state that is the first to commit such actions as "invasion of its armed forces, with or without a declaration of war, of the territory of another State. ... If certain acts of violation of treaties are crimes, they are crimes whether the United States does them or whether Germany does them, and we are not prepared to lay down a rule of criminal conduct against others which we would not be willing to have invoked against us."'*

Indeed, it is further pertinent to refresh one's imperial memory that the United States Chief Prosecutor at Nuremberg Tribunals had gone on to establish that the overt-acts of aggression, and not the tortuous justifications behind these acts, is what hung the Nazis:

*"The intellectual bankruptcy and moral perversion of the Nazi regime might have been no concern of international law had it not been utilized to goosestep the Herrenvolk across international frontiers. It is not their thoughts, it is their overt acts which we charge to be crimes."*

And that these overt-acts of aggression, as argued by Justice Jackson, contained within them, *"all the evil that follows"*. That the first primal aggression was:

*"the supreme international crime differing only from other war crimes in that it contains within itself the accumulated evil of the whole"*.

Thusly, all of the murderous turmoil unleashed in Pakistan since the macho 'commando' President General Musharraf committed the client-state (*"Re-Imagining Pakistan's Defenses"* <http://tinyurl.com/5nd3z2>) to America's *"goosestep[ping] the Herrenvolk across international frontiers"*, and the concomitant apportioning of commensurate *"supreme"* blame for the horrendous toll upon its 'wretched' society, as in Afghanistan and Iraq, Lebanon, and soon in Iran, accordingly, rests entirely with the sole superpower.

It manifestly constructed its own synthetic (<http://tinyurl.com/edj2v>) 'operation canned goods' (<http://tinyurl.com/qb4eq>) as its *"new pearl harbor"* for the premeditated *"supreme international crime"* of *"imperial mobilization"*.

And it will so construct another more devastating *"new pearl harbor"* once again (<http://tinyurl.com/2ve8qe>) as the grotesque recharging of the earlier worn-out *"catalyst"* for continuing on with its premeditated nuclear plan to *"Birth pang"* the *"Project for a New Middle East"* (<http://tinyurl.com/wt5oe>).

This time around, it's destination Tehran via Islamabad. And quite un-cleverly disguised as *"defensive US military action"*. But at the 'unbirthday' party,

everything absurd becomes reality!

The Pakistani 'loose nukes' hijacked by the cave-dwelling stick-wielding suicide-bombing 'Al-Qaeeda' mantra is among the multiple facile absurdities being deftly primed (and black-ops synthesized) as already outlined in the afore-stated wakeup call. It is one thing for the press and politicians in the pockets of the 'Hectoring Hegemons' (PNAC) to be rehearsing this silly as part of their *"intellectual commitment"* to seeding *"doctrinal motivation"* for the 'retaliatory' *"patriotic gratification"* (Brzezinski), it is quite another for the victims themselves to be bizarrely echoing it. It is yet to be observed in primal nature, lambs arguing for their own slaughter.

Indeed, if the U.S. Chief Nuremberg War Crimes Tribunals Prosecutor Justice Robert Jackson were alive today, and he hadn't merely been handing out a 'victor's justice' to the despicable harbingers of the Third Reich when he stated the blatant obviousness of their premeditated intent to commit *"supreme international crime"* of aggression: ***"The plans of Adolf Hitler for aggression were just as secret as Mein Kampf, of which over six million copies were published in Germany"***, he would blanketly also re-assert to the equally despicable harbingers of the Fourth Reich the equally blatant obviousness of their premeditated intent to re-commit the same *"supreme international crime"* of aggression: ***The plans of the aggressor for aggression were just as secret as the 'PNAC' and the 'NPR' on the 'Grand Chessboard' that were freely available for download on the Internet, and in major bookstores.***

The only difference between the two, as far as anyone can un-emotionally ascertain, and which is amply documented ("Prisoners of the Cave" <http://tinyurl.com/6b42av>), is that the Nazis didn't get the opportunity to rewrite history as the present day 'ubermenschen' are busily engaged in doing (<http://tinyurl.com/55l4gd>), with willing connivance of their intellectuals, newspaper editorial writers, various and sundry lower order newsmedia 'circus clowns', even expert 'native informants' (<http://tinyurl.com/3g8hb9>).

Furthermore, most obviously, this time around, the vast majority of the Jews and the handful of mastermind Judeofascists among them, are the Reich's best friends, aiders, supporters, sympathizers, and even its overarching master strategists, instead of the object of its wrath! The handful of courageous and inspiring exceptions, gadflies, and men and women of uncommon chutzpah, duly noted.

And finally, the Third Reich never enjoyed the *"full spectrum dominance"* and unopposed uni-polar supremacy that enables the present Reich to exert its *"Primacy and Geostrategic Imperatives"* unfettered and unchallenged as *"one centre of authority, one centre of force, one centre of decision-making, ... one master, one sovereign."* (Putin)

With this blatant reality in their faces, the Pakistani rulers can no more claim the 'I didn't know' defense, that, 'oops, we were fooled that this fabricated "war on terror" was real, and we only accidentally wrecked havoc upon our nation – we really only had good intentions as we bombed all those whom we thought were nasty "terrorists" ', any more than the Nazis could for their crimes upon their own disfavored citizenry.

Eichmann in Jerusalem, in his trial, even lent new meaning to the "I was only following orders" mantra which subsequently became enshrined worldwide as not an excuse to commit monumental crimes against humanity. Most of the former, as well as the newly elected senior Pakistani government leaders and their respective political party senior leadership, not to forget the uniform, will equally hang someday for all the innocent red blood of their own peoples that they have willingly already shed by supporting the fiction of 'war on terror'.

**But they can certainly stop now before more blood apportions to their soul!**

Surely in the 'land of the pure' – all believe in a 'soul'? Even Hitler did ("Gott Mit Uns"). And President George Bush surely does too – for by his own admission:

*"God told me to strike at al-Qaida and I struck them, and then he instructed me to strike at Saddam, which I did, and now I am determined to solve the problem in the Middle East!"*

**SO WAKE THE HELL UP AND ACT** before his god tells him to 'nookular' strike Pakistan and Iran to solve our problems too!

And as per the Muslim's God – one may yet have a reprieve of one's soul if one paid 'blood money' and fair compensation for inflicting cataclysmic pain and suffering, to the victims' families. It can be a win-win situation before the inevitable 'oops, too late!' In fact, not acting in accordance with the grotesque reality that is only visible on the 'Grand Chessboard' when 'Alice' is wide awake, is a sure lose-lose proposition.

The only mechanism outside of the United States of America to arrest its "supreme international crime" of "imperial mobilization" in its tracks\*, is either: the SCO immediately transforms into a NATO-like 'attack on one, attack on all' military alliance that includes Iran and Pakistan – which is of course not in the control of the Pakistanis – to construct a détente on the 'Grand Chessboard'; or, the Pakistani rulers urgently implement the strategy outlined in the afore-stated wakeup call. The latter is eminently under the control of the Pakistani ruling elite – to take back this 'wretched' nation from the blood-soaked hands of the 'hectoring hegemony'. And to do it with such astute political ascendancy that it inevitably ends up forcing the much needed stalemate on the 'Grand Chessboard'. A task for which Creation itself bestowed the instincts for

self-defense.

It is the only effective antidote to Zbigniew Brzezinski's 'ubermensch' truism: "*Hegemony is as old as mankind.*" But the mastermind has certainly also understood that predatory instincts for primacy are far older, and so is its "*full spectrum deterrence*" (<http://tinyurl.com/6ptb4l>) as once again amply reminded by nature itself in this immensely popular 8-minute internet video "Battle at Kruger" (<http://tinyurl.com/29jdop>).

Let history be witness, if there is anyone left to write it (accurately), that none of this was un-obvious at the time ("Saving Pakistan from Synthetic 'Terror Central'" <http://tinyurl.com/5mvkd5>).
