

## The Wrecked Ship of Fools, April 1 2009

Editorial by Zahir Ebrahim, [Project Humanbeingsfirst.org](http://ProjectHumanbeingsfirst.org)

*“When your country is reduced to a ravaged wreck and derelict floating aimlessly on the ocean of adventures run by bankers, the United States is now a ship of fools run by derivatives bankers, this is what you gonna get.”* -- Webster Tarpley (watch [pt1](#) [pt2](#) [pt3](#) [pt4](#) [pt5](#) [pt6](#) [pt7](#) )

The calculated Machiavellian de-industrialization of America, starting with the first Zbigniew Brzezinski Trilateralists' Administration (Jimmy Carter being the front-man), to the present Zbigniew Brzezinski Trilateralists' Administration (Barack Obama being the new 'Messianic' front-man), is one devilish continuum towards the pre-planned **“Thermodynamic Collapse”** [ibid.] of America into a third world country where suddenly nothing will work any more! The pernicious treachery was craftily executed in the intervening epoch by all American Presidents, [both Republican and Democrats](#) [1], each of whom dutifully implemented the final-phases of the globalists' agenda seeded as domestic and foreign policy prescriptions by the CFR and many a bankster-funded think-tank along the Potomac and Hudson. The prescription of respectively off-shoring America's industrial base, and perpetuating **“America's own dominant position for at least a generation and preferably longer”**. [2] Thus together, they have finally succeed in making **“an end run around national sovereignty, eroding it piece by piece [to] accomplish much more than the old-fashioned frontal assault”**! [3]

And the blood-sucking bankster ['Trilaterals over America'](#) [4] couldn't be happier en-route to their orchestration of [one-world government](#) [5] which is now palpably out into the open.

Only the indoctrinated idiots and fools, dupes and patsies, ideological shells and paid mercenaries, will continue to deny that the triumvirate crises of global financial collapse, global war on terror, and global-warming are not the globalist oligarchs' deliberately manufactured terrorism upon the peoples of the world, including the people of the United States! The mercenaries and shells will all accept its reality only after irreversible fait accompli has been seeded and harvested – but not while anything can be done to effectively reverse the course. The first ones to change their positions ex post facto, will be the much lauded but manufactured dissent-space chiefs – on both the 'left' and the 'right' – as well as imperial scholars and historians, all of whom today loquaciously parrot the **“doctrinal motivation and intellectual commitment”** in its various **“patriotic”** strands [6] to [manufacture both consent and dissent](#) [7].

The population reduction agenda of [NSSM-200](#) [8] looms large as among the first debasing criminal acts to be undertaken in the 'one-world' government for the culling of humanity based on eugenics and 'useless-eaters'. [The mantra for it is already in motion](#) [9]. It is the first time in the history of civilization that the knowledge, the tools, the deployment, and the pretexts, have all finally become available in today's scientific modernity to rigorously and very effectively orchestrate population reduction, thus making up for all the lost years of bemoaning its ineffectiveness by [David Rockefeller](#) [10], [Prince Philip](#) [11], [Robert McNamara](#) [12], and [Bertrand Russell](#) [13].

Prince Philip, the Duke of Edinburgh, is especially noteworthy of mention here for his stated passion to be personally involved in the elimination of the species. He is cited as one of the leading figures worldwide who “*have taken courageous stands on the population issue and its connection to the environmental problems*”, and therefore, his misanthropic zeal, as that of omnipotent globalist bankster David Rockefeller, ought not be taken lightly: “*In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation.*” [op. cit.]

So, while the gullible fools – degreed, credentialed, certified, and otherwise – merely live on “[happy-happy in hope and voluntary servitude](#)” [14] self-obsessed in their own petty lives believing “[god is running the world](#)” [15], or believing that the “[Islamofascists are out to get us](#)” [16] and therefore 'United We Stand' against them, or accept the mantra that “[it's the fault of free-market capitalism gone awry](#)” [17] which needs draconian new [global governance structures](#) [18], the omnipotent devil's apprentice, variously disguised as a peanut farmer, a B-grade actor, a pathetic profligate, a D-grade pilot, a C-grade fool, and an A-grade reincarnated 'Messiah', rapidly orchestrates its black-magic for constructing faits accomplis in deceptively small baby-steps. Such is the charm and the lure of the luxuriously suited devil:

**'The real value of Tragedy and Hope ... [is the] bold and boastful admission by Dr. Quigley that there actually exists a relatively small but powerful group which has succeeded in acquiring a choke-hold on the affairs of practically the entire human race. Of course we should be quick to recognize that no small group could wield such gigantic power unless millions of people in all walks of life were “in on the take” and were willing to knuckle down to the iron-clad regimentation of the ruthless bosses behind the scenes. As we shall see, the network has succeeded in building its power structure by using tremendous quantities of money (together with the vast influence it buys) to manipulate, intimidate, or corrupt millions of men and women and their institutions on a world-wide basis.'**[19]

The [Re-confirmation of 'Change' Fiction](#) [20] for the present reincarnation of the devil's super-apprentice, is laid out in Alex Jones' recently released film "[The Obama Deception](#)" [21].

Cui bono from one-world government? The 'chosen people' who have orchestrated it all for the spectating foolish goy!

Just as 'Islamofascism' is about the rotten fabricated 'radical Islamists' out to destroy modern civilization, and our rulers vengefully and unrelentingly wage a lifetime of barbaric 'war on terror' upon them, the very naturally occurring Judeofascist Zionofascist cabal of banksters, and all whom they willingly corrupt worldwide, are out to destroy most of mankind and all nation-states except one, and the world's foolish plebeians merely watch enthralled with headlights in their eyes. Whereas, [even a dumb herd of buffaloes might wage a commensurate 'war on terror' upon their hectoring hegemon in self-defense](#) [22], a wrecked ship of fools can only be navigated in one direction – straight down!
