Subject: WHO Advisories

Dear Dr. Chan,

Hello. I write you respectfully to express immense concern, and without mincing words. I would like to draw your kind attention to the letter to editor which is reproduced below. It expresses grave reservations that the the World Health Organization is acting as a global sales-rep for vaccine manufacturers. I specifically draw your kind attention to the "[Note on abetting the Pandemic](#)" which is cited below.

I hope you might offer some cogent explanation, or refutation that can stand the test of commonsense and rationality. If you are unfamiliar with NSSM 200 (National Security Study Memorandum 200, April 24, 1974, written by Henry Kissinger) also noted below, I urge you to kindly perform your due diligence on the matter.

It is quite likely that you have become an unwitting pawn in the ruling oligarchs' game of population reduction. If you finally come to realize that through your due diligence, I urge you to make that information public from your high pulpit. At worst, you will lose your job. But your unconscionable inaction, or mere resignation in silence, will lead to a billion-plus exterminated, with WHO subsequently claiming all the credit for saving the rest. There is likely a Nobel Peace Prize lurking in there somewhere for all this 'saving'. And the cycle will repeat.

Minimally, as a conservative stance, I would hope that you will at least join me (one who is a nobody), in urging the developing nations to follow the rational recommendation noted in the letter below, namely, to break-free of the patent-strangulation regime by legal fiat, and manufacture their own vaccines as an existential matter for them.

It takes an uncommonly courageous Socrates to speak the truth, and to boldly invite the same fate. But your voice is far stronger than an ordinary plebeian's.

Sincerely,

Zahir Ebrahim

Letter to Editor: Response to 'Rich Nations Could Claim Most of Swine Flu Vaccine'

May 08, 2009

In response to the Associated Press news bulletin of [May 06, 2009](#) by David Brown on rich nations could claim most of swine flu vaccine, I would suggest: **let them.**

While monopoly at legal-gun-point of patents-regime by rich nations on the basic seeds and germs of life is a legal travesty, and in my view a monumental global crime against humanity*, in this instance of pandemics, the matters have an additional dimension. One of calculatingly getting the unsuspecting 'untermensch' people to use inimical vaccination under pretext of pandemics to wreck a greater havoc. The overarching backdrop of this counterpoint is spelled out in [Project Humanbeingsfirst's](#) analysis of the pandemic titled "[The Swine Flu Chronicles 2009](#)" (<http://tinyurl.com/d4cg99>).

This agenda is underscored by the statement made today [May 08, 2009](#) by the Director-General of WHO, Dr. Margaret Chan, in her Address to the ASEAN+3 Health Ministers' Special Meeting on Influenza A(H1N1) in Bangkok, Thailand: ***"The world is better prepared for an influenza pandemic than at any time in history,"***. And in an earlier statement for public guidance issued on [May 01, 2009](#), WHO advisory had stated: ***"The focus now is on minimizing the impact of the virus through the rapid identification of cases and providing patients with appropriate medical care, rather than on stopping its spread internationally. Furthermore, although identifying the signs and symptoms of influenza in travellers can be an effective monitoring technique, it is not effective in reducing the spread of influenza as the virus can be transmitted from person to person before the onset of symptoms."***

So, when the good Director-General of WHO said that ***"world is better prepared for an influenza pandemic than at any time in history,"*** she actually meant through selling to the world's peoples – two-third of us in the developing nations – ***"appropriate medical care"*** on which the Western pharmaceuticals not only have patent monopoly, but also demand monopoly by the **"rich nations"** as noted by the Associated Press. WHO's statement on its 'scientific' preference to treat rather than interdict ***"the spread of influenza virus"*** is further unraveled in the Swine Flu Chronicles 2009, "[Note on abetting the Pandemic](#)".

Therefore, along with the scare-mongering Associated Press news bulletin, the import of the overarching statements emanating from the World Health Organization after all the wordsmithing is unraveled, appear to me to be of the pure psy-ops genre for demand creation for vaccines.

Attempt is being made to scare and cajole the developing nations – unsurprisingly also on the target list of [NSSM-200](http://tinyurl.com/cmmp63) (<http://tinyurl.com/cmmp63>) for population reduction – into panicking and frantically demanding their share of the vaccines from the rich nations as the preferred WHO recommended solution to the 'Fourth Horseman of the Apocalypse'. Victims willingly demanding and paying for the poison – almost like J.P. Morgan deliberately cultivating a run on the banks to seed the First Great Depression.

Here, it is the work of the 'Mighty Wurlitzer'*** to seed the Great Population Reduction. There are many incremental stages to reach that ultimate culmination before these seeds of destruction might be fully harvested, just like there have been many incremental buildup-and-teardown-cycles to making America bankrupt by stages. It was seeded in the 1913 Federal Reserve Act by one generation of international bankers, before it could be harvested by another generation of international bankers, their own familial grandchildren, in the Great Bailouts of 2008-2009. And that too is only the prelude to the international bankers cementing their complete anaconda debt-grip upon the world which will culminate in their cherished dream of 'one-world' government, and a world population cut in half or less.

The only rational way out of this impasse is for self-respecting nations, ones run by ruling-elite who do care about their peoples, their culture, their heritage, their traditions, who represent the hopes and aspirations of their 'wretched of the earth' for a better future rather than a non-existential one, to urgently break out of this false-paradigm of destructive globalism legally forced upon them.

Boldly abrogate the patent-regime of profit-strangulation-destruction by exercising legal fiat domestically in every developing nation. Make your own vaccines, develop your own seeds, create your own 'WHO', and trade and partner among your own nations of the Global South to create a massive trading bloc. Use that Global-South Alliance (GSA) to negotiate equitable and fair terms of trade with the rich white man's nations of the Global North who now hold all the power and thus dictate all the terms. Protect that decision of independence with your militaries if necessary – in a Full Spectrum Alliance – for, modern warfare runs silent, runs deep, just as it runs loud leaving deep craters in the tabula rasa of the 'lesser' humanity!

There is an interesting lesson in the Qur'an, inter alia, verses 13:11 and 52:14, once again drawing upon a spiritual wisdom to unravel modernity and to guide oneself into a commonsensical rational thinking mode that is being systematically killed off among the victims regardless of their religion and spiritual base. Rely on one's own forces (*“Verily never will Allah change the condition of a people until they*

change it themselves.”). Since the enemy's modus operandi principally is *'divide et impera'*, so unite against that common enemy just as they unite amongst themselves behind institutions, foundations, and fortified treaties to divide and fight you, waging silent and loud wars by way of deception (***“They will not fight you (even) together, except in fortified townships, or from behind walls. Strong is their fighting (spirit) amongst themselves: thou wouldst think they were united, but their hearts are divided: that is because they are a people devoid of wisdom.”***).

Every civilization, including the Western peoples, will find much common ground in these timeless commonsensical general principles of the art of war and self-defense which recognize realpolitik of every bullying generation, to orchestrate both their foreign and domestic policies. For indeed, every heritage is surely replete with such pragmatic wisdom, as much as they are replete with lofty platitudes which have shown to have little effective power in the real-world run by devils' vicegerents who call themselves the 'Hectoring Hegemons', and who, by way of empiricism, can only be checked effectively with counterpower. Here is [Patrick Henry's](#):

“--we must fight! I repeat it, sir, we must fight! An appeal to arms and to the God of hosts is all that is left us! They tell us, sir, that we are weak; unable to cope with so formidable an adversary. But when shall we be stronger? Will it be the next week, or the next year? Will it be when we are totally disarmed, and when a British guard shall be stationed in every house? Shall we gather strength but irresolution and inaction? Shall we acquire the means of effectual resistance by lying supinely on our backs and hugging the delusive phantom of hope, until our enemies shall have bound us hand and foot? Sir, we are not weak if we make a proper use of those means which the God of nature hath placed in our power. ... It is in vain, sir, to extenuate the matter. Gentlemen may cry, Peace, Peace--but there is no peace. The war is actually begun! ... Why stand we here idle? ... Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, give me liberty or give me death!”

** Mighty Wurlitzer: honorific of Frank Wisner, the first chief of political warfare for the Central Intelligence Agency, used to describe the C.I.A.'s plethora of front organizations and newsmedia stooges that he was capable of playing (like a great organ with many keyboards) for synthesizing any propaganda tune that was needed for the day. See *'The Mighty Wurlitzer: How the CIA Played America'* by Hugh Wilford, 2009. The fact that such Message Machine is not ancient history but very much current

affairs, is underscored by this NYT headline "*Behind TV Analysts, Pentagon's Hidden Hand*", Sunday, [April 20, 2008](#).

Thank you.
