The political philosophies and social engineering underlying ***imperial mobilization*** are far more diabolical today than they have been in the past. Comprehending the role of fabricated enemies and false oppositions to lend credence to the fabricated enemies, begins at the doorstep of political science, not Islam. The fatwa is part of the finely tuned social engineering to continually ***engineer consent*** for the fabricated perpetual war on terror.

This is a response to the following pertinent passage from the Pakistani news reports on the Islamic scholar Dr. Tahir ul-Qadri of Minhaj-ul-Qur'aan, a Sufi organization in East London, issuing terrorism fatwa (also BBC [March 2, 2010](#)).

Caption **Shameless Stooges** at the *massa's* table in payoff for "Bukakke" services rendered. Tahir ul-Qadri is not a patsy – he knows exactly what he is doing by echoing empire's axioms on Terrorism. The Western establishment's cultivated *Trojan Horse* among Muslims to institute *beneficial religious diversity* (sic!), namely "moderate Islam", Qadri makes even Mir Jafar/Mir Sadiq duo look virtuous. If there was any doubt earlier, the gratuitous presence at the 2011 WEF is conclusive proof of the Qadri–Khan duo being the pathetic *house negroes* eagerly carrying the white man's burden. Just being invited to sit at the *white man's* table and utter gibberish in gratitude is evidently sufficient incentive for Pakistani *brown-sahibs* to commit treason. The final payment awaiting stooges when their services are terminated can be witnessed in the fate of the one far more illustrious, Benazir Bhutto. The ill-fated *daughter of the East* had echoed the same axioms on Terrorism at the CFR. Evidently, anyone and everyone can be recruited after they have shown their willingness to echo the *massa's* mantras – here is CFR's latest promotion. Now is your chance to serve the *massa* – house negroes are evidently still in great demand! And you have the vast array of "Between's" to choose from for your daily chores. Trips to Disneyland, sabbaticals, and book deals are included in the compensation package. (Image sent by a Pakistani *field negro*, copyright unknown. Added March 02, 2011)

It condemns the perpetrators of terrorist explosions and suicide bombings. The

The Pakistani English language daily The News [reported](#):

'LONDON: The 600-page document, drawn up by Dr Tahir-ul-Qadri, declares that attacks on innocent citizens are "absolutely against the teachings of Islam".

The Minhaj-ul-Qur'aan, a Sufi organisation based in East London, which advises the British government on how to combat radicalisation of the Muslim youth, will launch the 600-page Fatwa against suicide bombings and terrorism, declaring them un-Islamic, tomorrow.

document, written by Dr Tahir-ul-Qadri, declares the suicide bombings and terrorism as “totally un-Islamic”. It is one of the most detailed and comprehensive documents of its kind to be published in Britain.’

Right!

The BBC in its own truthful coverage of the fatwa (and parroted by the world press) noted that: ***'The scholar describes al-Qaeda as an “old evil with a new name” that has not been sufficiently challenged.'*** Al Qaeda is indeed the same age “old evil with a new name”: the fabricated Hegelian Dialectic necessary for launching and sustaining “imperial mobilization” on the Grand Chessboard!

But sadly, and quite expectedly, none heralding the fatwa in the worldwide media coverage, nor any branded scholar manufacturing consent or dissent, dared to complete that virtuous proclamation on terrorism in that 600-page fatwa with the following obviousness:

***'Furthermore, gratuitously laying a carpet of bombs on civilian populations, invading one’s military forces into other nations’ territories, and decimating entire civilizations to the point of cultural and physical genocide, is a far greater terrorism; a crime of aggression so heinous that it is not simply referred to as “war crime”, but “the supreme international crime differing only from other war crimes in that it contains within itself the accumulated evil of the whole.”'***

Unless that additional truism – which is also the Islamic principle for culpability expressed in the Qur’an as the blame is with those who initiate the war-mongering aggression – well established by the Military Tribunal at Nuremberg by the United States herself as the yardstick for identifying primary war-mongers, is appended, or pre-pended, to any overarching statement on terrorism, one must know that all such pious proclamations, including that in the 600-page document, are only the Hegelian vomit of vulgar propagandists justifying the ***“supreme international crime”*** of their real masters.

Their fate will be no different than Goebbells'. Whether or not that destiny actually transpires within our own lifetime, let it be repeatedly told at every opportunity, in every generation, and in no uncertain terms, that in the hammaams (bath houses) of the hectoring hegemon, these prostitutes are merely their “Bukakke” (borrowing that hideous [new word](#) which appears to be the passionate pastime of many a Pakistani as I learnt [here](#)).

Unlike some others, I foolishly write under my own name with full self-identification. And I invite these brilliant scholars who span the gamut of doctrinal warfare from peddling “Islam” with half-truths to peddling Secular Humanism with outright deception, to haul me into the International Criminal Court of Justice for referring to them by their only real profession. It should be interesting, but only if the foolish plebeian is permitted to speak unfettered.

Any takers of “justice”, “Islam”, Secular Humanism? How about you, Dr Tahir-ul-Qadri?

The voice of reason of ordinary plebeians often seems to be accompanied by only the thunderous sounds of silence. Free-speech in free-space can kill mercilessly by asphyxiation!

And humanity is concomitantly being butchered under the twain carpet of bombs because there is no one to challenge the **“supreme international crime”** in a forum that has any meaningful power to redress it. When the rare opportunity does materialize to wage a genuine battle for justice for a change, it is largely squandered on the lower order bits of the matter:

<http://print-humanbeingsfirst.blogspot.com/2009/04/vanilla-or-chocolate-icing-ondevilscake.html>

But what kills me even more than these well-intentioned justice-minded professionals whom I don't personally know – at least these courageous folks know the truth and operate on their own peculiar calculus of justice which merely differs from mine – is the obsequence of [intellectual and house negroes](#) in America and Pakistan, many of whom happen to be my good friends and colleagues. Some even know of my humble pen. And yet, they too only see the friggin [Islamofascist pirates](#), just like this Dr. Tahir-ul-Qadri chap with his fake Hegelian opposition to Islamofascism. But not the emperor's vast armies poised to annihilate entire defenseless nations with their unmatched nuclear weapons, and already having done so with extreme **“shock and awe”** invasions of Iraq, Afghanistan, Lebanon, Palestine, and now even doing their own nation.

Nor do they try to comprehend political science, that the pirates are almost entirely a diabolical synthesis of the emperor's Machiavellian brains because without Islamofascism and its duped

recruits, the rulers of the world have no pretext to rapidly transform their empire into world government. All the hectoring hegemon's raped-pregnancies and birth-pangs of world order ultimately remain still-born without the synthetic curse of [Islamofascism](#):

**‘[Because] the pursuit of power is not a goal that commands popular passion, except in conditions of a sudden threat or challenge to the public’s sense of domestic well-being. The economic self-denial (that is defense spending), and the human sacrifice (casualties even among professional soldiers) required in the effort are uncongenial to democratic instincts. Democracy is inimical to imperial mobilization. ... [Thus it is] more difficult to fashion a consensus on foreign policy issues, except in the circumstance of a truly massive and widely perceived direct external threat. ... That exercise requires a high degree of doctrinal motivation, intellectual commitment, and patriotic gratification.’** (Zbigniew Brzezinski)

I expect Dr. Tahir ul-Qadri of Minhaj-ul-Qur’aan to publicly explain his vulgar omissions in his partial definition of terrorism. Perhaps he remains un-aware that: **“Great is truth, but still greater, from a practical point of view, is silence about truth. By simply not mentioning certain subjects... totalitarian propagandists have influenced opinion much more effectively than they could have by the most eloquent denunciations.”** (Aldous Huxley) I would in fact support his thesis on terrorism if it was accordingly amended to reflect all the omissions noted here, and not couched as fatwa in the service of empire.

However, the learned scholar labors under a grave misconception that his personal opinion has any religious significance as fatwa, even if he were to make the aforementioned corrections and forthrightly condemn empire's own state terrorism and war-mongering aggression in his document.

No human being needs permission from another to wage his or her legitimate self-defense. It is a primary existential instinct, more fundamental than any dogma, religion, or belief – even the lowliest of animals have their instinct for self-preservation. If modernity has desensitized that basic instinct among humankind, watch its demonstration in animalkind in the [Battle at Kruger](#). Loftier principles of morals and dogmas layered upon these basic natural instincts which purport to transform us human beings from the amoeba into Ashraf-ul-Makloofat – such as America's famous Bill of Rights and its Declaration of Independence, and of course Islam which proclaims itself the natural religion liberating man from the shackles of all servitude to

fellow man – regulate what is lawful and what isn't so people may equitably co-exist with each other and with state-power without usurping each others rights. That regulation for Muslims choosing to follow the religion Islam, is explicit in the Qur'anic teachings in the context of terrorism vs. Jihad. These require no mullah's fatwa, no matter how learned. Personal fatwas in the religion of Islam may not be issued on what is already made explicit in the religion of Islam itself – by the very definition of the concept of fatwa in Islamic jurisprudence. What is permissible, and what isn't, in waging the battle of self-defense is already made abundantly explicit in the principled teachings of the Holy Qur'an. One may surely explain these principles to others in full context, but not issue fatwas amending, particularizing, or hiding its general import in the totality of the message of Islam through calculated omissions in the service of vested interests.

Any personal opinion couched as fatwa which fails to recognize the greatest enemy systematically devouring Muslims today, can only emanate from the enemy of the Muslims. The hectoring hegemony are experts at disguises and can wear any garb. The Mussalmans' short and blood-soaked history is replete with such two-bit skills putting religion in the service of empire. The price has spanned the gamut of co-option from a few silver coins for issuing imperial proclamations in the name of Islam, to anointed leadership of manufactured sects for sowing discords and **“beneficial cognitive diversity”** in the best mold of divide et impera.

In this instance, it is the realization of [Daniel Pipes](#) wet-dreams in the service of empire that ***'The idea that “militant Islam is the problem, moderate Islam is the solution” is finding greater acceptance over time.'*** Well, here is empire's own **“moderate Islam”** for us plebes, as the WWF wrestling match against its own virulent creation of **“militant Islam”**.

### **The face of “moderate Islam”**

The political philosophies and social engineering underlying *imperial mobilization* are far more diabolical today than they have been in the past. Comprehending the role of fabricated enemies and false oppositions to lend credence to the fabricated enemies, begins at the doorstep of political science, not Islam. The fatwa is part of the finely tuned social engineering to continually *engineer consent* for the fabricated perpetual war on terror. The primary modus operandi of that social engineering is seeded in the Hegelian Dialectics of Deception and the Technique of Infamy as already explained in this [tutorial](#). Witness the dialectical twin of this pious Fatwa in the promulgation of the impious girl flogging video which was presciently unraveled in this [Letter to Editor of April 06, 2009](#), and which is now coming unraveled even officially.

This factual observation of diabolically *engineering consent* with [tortuous political theories and absurdities](#) being primarily at work here, is further underscored in the stark contrast between the pious 'Islamic scholarship' of the Fatwa in the service of empire and this Syrian Arab Catholic priest's lament in his open letter '[To His Holiness Pope Benedict XVI](#)'. The latter demonstrates a moral fibre largely unknown to Pakistan's virtuous [house negro](#) peddling 'Islam's holiness' for gratis ([£6.99 for hardcopy](#)), and which was even intoned by the [BBC News Magazine](#) as '[A fatwa they can work with?](#)': “*An Islamic scholar turned up in London*

last week to deliver a religious ruling denouncing terrorism in all its forms – but what was it about him that made everyone sit up and listen? **He’s a man on a mission – a mission to state the obvious.**” Unfortunately for the 'untermenschen' everywhere, this virtuous **“man on a mission”** journeying to the heartland of empire in voluntary servitude to peddle his “Islam” felt no **“moral mission to state the [even more] obvious”!** Facts which, quite unsurprisingly, even the empire's own top field commander, [Gen. Stanley A. McChrystal](#), being a free man unfettered in his own *la mission civilisatrice*, had the cold chutzpah to boldly proclaim without fear of any future Nuremberg accountability: **“We have shot an amazing number of people, but to my knowledge, none has ever proven to be a threat,”** (New York Times, March 26, 2010)

Finally, I conclude this lamentable but principled response to Dr. Tahir-ul-Qadri’s terrorism fatwa in the service of his empire with the only universally humanitarian prayer to perhaps ever escape from the particularistic lips of 'god’s chosen people' now waging full spectrum war of domination upon all *Amelekites*, that of its favorite Nobel laureate Holocaust™ spokesman, Elie Wiesel:

***‘I still curse the killers, their accomplices, the indifferent spectators who knew and kept silent, and Creation itself, Creation and those who perverted and distorted it. I feel like screaming, howling like a madman so that that world, the world of the murderers, might know it will never be forgiven.’***

Thank you.

\* **Footnote:** I have no opinion on Tahir ul-Qadri's version of “Sufi Islam” per se, only on his brazen omissions in defining terrorism in the *calculated* service of empire. Qadri is not a patsy.

**Dear Scholars and Leaders of Islam issuing the One-sided Fatwa on Terrorism:**

You might be aware that I do not recognize any pious leaders, of Islam or otherwise, when they intersect conversely with truth, or with political science. The only genuine leadership I know of today, is that of the devil – the hectoring hegemons – and therefore, I oppose it.

Therefore, I do not find it impertinent to boldly ask whether you take peoples to be fools? Or are you just being useful idiots in the hands of hectoring hegemons? I am not sure which one. Therefore, I draw your kind attention to Project Humanbeingsfirst's Response to your Terrorism Fatwa which is entirely in the service of empire:

<http://print-humanbeingsfirst.blogspot.com/2010/03/resp-terror-fatwa-in-service-of-empire.html>

Please be advised that people are aware that all sorts of fatwas have been issued throughout history by the most pious pontiffs to justify the crimes of empire. If it is news to you how religion, and especially Islam, is put in the service of empire through half-truths and outright omissions, then, instead of presuming to teach others, you might perhaps spend some time studying yourself.

And lest you believe that you have acquired some newly inspired knowledge through virtuous piety which I do not possess due to my ordinary dint of hard study and forensic observations, and due to which you believe your palpable omissions as noted in the response are justified, I

would be happy to hear of your inspired knowledge.

And if I am shown the error of my analysis and conclusions due to my general lack of humility before either the pirates or the emperor, I would be happy to eat crow.

Otherwise, I invite you to be forthright and include what is omitted in your terrorism report to complete your partial thesis in the full service of the people, of all peoples. For doing that, you will most assuredly earn my genuine and humble thanks with full endorsement of your report - provided the word fatwa is dropped from it. Your personal opinion has no religious significance in matters in which the religion of Islam has unequivocally already spoken. Only a political one, and that would be sufficient, nay [of] immense significance for the ordinary peoples of the world, almost 7 billion of us, of all faiths and persuasions, that even one Muslim scholar has the balls to call a spade a spade.

Even further, I would be most happy to enter into fair interlocution with your learned scholar who presumably authored this one-sided Fatwa, or obligingly put his name to it, in any public televised forum. Should be interesting for the world to witness a rational dialog between a virtuous Islamic scholar berating the pirates while ignoring the grotesque imperial mobilization of the emperor that is not only responsible for genocide of multiple Muslim civilizations, but is also rapidly lowering an iron-curtain of tortuous police-states throughout Europe and America, and an ordinary plebe.

I humbly invite the press to publish this letter in their columns and newspapers.

Thank you.

Zahir Ebrahim
