

Project Humanbeingsfirst Responds: Aliens and UFOs - Head in the Ass!

In response to the [commenter](#) "william Galison May 2, 2011 4:51 pm (Pacific time)" who noted:

'there are a lot of people far smarter and more educated than Mr Ebrahim who are spouting "UFO gibberish".'

and

'Time Zahir him to pull his head out of his academic ass.'

your mileage will of course vary on the alien-ufo religion depending on the depth of penetration of your own head into the asses of these *"far smarter and more educated"* celebrities!

But for those who might wish to understand this new religion of aliens-ufos from a political science perspective rather than an aficionado's, check out the following Hegelian Dialectic:

1) for when the aliens are bad and will make a Super Ali Baba++ enemy for empire, see:

Caption Earth must prepare for close encounter with aliens, say scientists **UN should co-ordinate plans for dealing with extraterrestrials – and we can't guarantee that aliens will be friendly** Evolution on alien worlds is likely to be Darwinian, which may mean extraterrestrials share our tendencies for violence and exploitation. 2) for when the aliens are good and helping mankind against the evil forces of empire, see:

Caption Aliens can't hear us, says astronomer Fainter broadcasting signals and digital switchover mean Earth will soon be undetectable to extraterrestrials **Aliens are less likely to be able to pick up signals from Earth and make contact.** (Image via UK Guardian, Photograph: Colin Anderson/Getty)

3) for when the Rockefeller monies funded a study in mass panic in 1938, see:

<http://books.google.com/books?id=2c2-k6AvQtQC&printsec=frontcover#v=onepage&q&f=false>

3) for understanding the "testimonies" that Steven Greer's Disclosure Project brings to the idiotic flock half a century after Hadley Cantril admitted that Orson Well's dramatic enactment on radio was a calculated study in mass behavior control, and why this alien-ufo religion appears to be foundational for corralling the different flavored fools towards the ultimate new age dogma of Secular Humanism in one-world government, see:

<http://humanbeingsfirst.blogspot.com/p/alien-agenda.html>

4) to see the role the surrogate duo Kerry/Ryan of Project Camelot/Avalon are playing in promulgating the goals of Project Disclosure as well as Wikileaks (which also threatened to reveal information on UFOs, [wikileaks-and-ufo-zahir-to-duff](http://print-humanbeingsfirst.blogspot.com/2008/06/wmd-master-social-science.html#Project-Camelot), *ibid.*), see the following:

An entire generation of useful idiots is being prepared to welcome the aliens-ufos when they land – even including appointing a UN Ambassador to diplomatically liaison with them (sic!):

<http://www.telegraph.co.uk/science/space/8025832/UN-to-appoint-space-ambassador-to-greet-alien-visitors.html>

And the Pope to baprtise them (what the fuck!):

<http://www.guardian.co.uk/science/2010/sep/17/pope-astronomer-baptise-aliens>

And the scientists "*far smarter and more educated than Mr Ebrahim*" to vouch for their authenticity (see Stephen Hawking, *ibid.*) – no differently than we have already witnessed recently in their speciously promulgating Global Warming:

<http://print-humanbeingsfirst.blogspot.com/2009/11/let-co-conspiracy-theorist-climategate.html>

and in the not too distant a past for scuttling Cold Fusion:

[http://print-humanbeingsfirst.blogspot.com/2011/04/comment-on-judywoods-new-hiroshima.html#\[18\]](http://print-humanbeingsfirst.blogspot.com/2011/04/comment-on-judywoods-new-hiroshima.html#[18])

Like the unwelcome weeds in a fertilized lawn, once seeded, these parasites of society which feed off the crumbs of imperial dogmas and multiply their droppings to take over the soil of any nation to get them to 'United We Stand' – even if the initial seeding was with a mere handful – are the curse of any nation's health.

That's the oligarchic bet here – to have sufficient foolish peoples sucking the effluents* from the celebrities' asses and to play them up so much in the newsmedia and Hollywood, to make it appear all real to the rest of the ignorant public, to eventually get them primed for acquiescing to 'United We Stand' until *fait accompli*. This is the enduring power of Machiavellian political science wrought by "history's actors". See "Convince People of Absurdities and get them Acquiescing to Atrocities":

<http://www.globalresearch.ca/index.php?context=va&aid=18560>

Just like the "history's actors" made 9/11 appear real to the ignorant public to launch their "imperial mobilization":

'We're an empire now, and when we act, we create our own reality. And while you're studying that reality — judiciously, as you will — we'll act again, creating other new realities, which you can study too, and that's how things will sort out. We're history's actors . . . and you, all of you, will be left to just study what we do.' — Senior Bush Advisor, *The New York Times*, October 17, 2004

[http://www.nytimes.com/2004/10/17/magazine/17BUSH.html?
_r=2&ex=1255665600&en=890a96189e162076&ei=5090](http://www.nytimes.com/2004/10/17/magazine/17BUSH.html?_r=2&ex=1255665600&en=890a96189e162076&ei=5090)

Just like they made WMD appear all real to the dumb masses to launch the invasion of Iraq by parading Pentagon retired Generals on television in 2002-2003. This one was ex post facto even brazenly admitted to by the New York Times in 2008 "Behind TV Analysts, Pentagon's Hidden Hand":

[http://www.nytimes.com/2008/04/20/washington/20generals.html?
_r=2&hp&oref=slogin&oref=slogin](http://www.nytimes.com/2008/04/20/washington/20generals.html?_r=2&hp&oref=slogin&oref=slogin)

And could that ex post facto admission that it was all a scam, and already obvious from day one, undo the murdering and bombing of the innocent people of Iraq due to the manipulated public 'United We Stand' with it?

First we had Ali Baba on his flying carpet:

<http://print-humanbeingsfirst.blogspot.com/2008/04/binladen-keyenabler-nuclearattack.html>

[http://print-humanbeingsfirst.blogspot.com/2008/12/ali-baba-in-mumbai-eid2008-
reflections.html](http://print-humanbeingsfirst.blogspot.com/2008/12/ali-baba-in-mumbai-eid2008-reflections.html)

Aliens-UFOs are the next Super Ali Baba++ now that the former Ali Baba, Dr. Osama Bin Laden on his flying carpet, has finally been laid to rest, in continuation of the same "imperial mobilization":

To launch the WMD mantra to invade Iraq they had employed retired Pentagon generals who were *"far smarter and more educated than Mr Ebrahim"*:

<http://prisonersofthecave.blogspot.com/2007/04/preface.html>

To launch the alien-ufo mantra to disarm the public and cement world government, they are again employing people *"far smarter and more educated than Mr Ebrahim"!!*

At Nuremberg and its aftermath, the 'United We Stood' of the Third Reich had to pay a hefty price in perpetuity: from the defeated Nazi cannon fodder soldiers who were killed through starvation by the millions in internment camps by the victorious Americans, to the German civilians and the nation of postwar Germany still paying restitution to Zionistan, the Jewonly state of Israel, in billions of dollars annually, and as I am told, that is to continue for one hundred years.

If the 'lesser peoples' of today are to demand the same restitution for the monumental holocaust perpetrated upon them which is swimming in the oceans of bloody evidence, unlike the Holocaust™ which we all accept on faith and by the fiat of the verdict of law, can you imagine for how many centuries will the people of the United States and its Allies will have to pay in penalties to its victims of their 'Lebensraum'?

For poor Mr. Ebrahim, belonging to the 'lesser peoples' who are the primary victims of "imperial mobilization", this ain't a FUCKING game to stick one's head in even one's own ass, let alone

in other *"far smarter and more educated"* celebrities collective asses.

And Mr. Ebrahim respectfully requests the editor to not remove, or syntactical sugar, the employment of accurate expression which hardly does justice to capturing this monumentally criminal state of affairs wrought by fools and useful idiots, themselves victims of celebrity effluents. If bombing peoples to smithereens does not seem to impact people's sensibilities, then describing that crime in accurate terms should not either. Call a spade a spade.

Thank you.

Zahir Ebrahim
